PRODUCT PROPERTIES

- transparent skin wash
- colorant-free
- soap- and alkali-free
- skin neutral pH value
- perfume- and fragrance-free
- BLUE ANGEL and EU Ecolabel for 1 L Neptune bottles and 2 L collapsible bottles
- EU Ecolabel for 500 ml and 1 L hard bottles
- HACCP-compliant
- vegan

APPLICATION

Apply ECOSAN® evenly on the moistened skin. For normal dirt, a small amount is sufficient. Rinse off with plenty of water and dry hands thoroughly. A proportional bigger amount has to be used in order to clean the entire body.

A product evaluation sheet can be downloaded.

DESCRIPTION

ECOSAN® is a cleansing syndet (synthetic detergent) which is free from perfume, fragrances and colorants. Since it is HACCP-compliant, ECOSAN® is also suitable for the food industry. ECOSAN® is a soap- and alkali-free syndet for thorough and gentle skin cleansing in case of removing light dirt. Similar to the human skin, the product has a slightly acid pH value.
The high-quality surfactants in ECOSAN® have excellent skin compatibility. ECOSAN® in 1 L Neptune bottles and 2 L collapsible bottles have been awarded the BLUE ANGEL environmental label as well as the EU Ecolabel. In addition, the 500 ml and 1 L hard bottles have been awarded the EU Ecolabel.

DERMATOLOGICAL COMPATIBILITY

ECOSAN®'s dermatological compatibility has been carefully tested and proven. A printed certificate is available.

PRODUCT QUALITY

The product is manufactured according to GMP (GOOD MANUFACTURING PRACTICE) requirements. The bacteria count is microbiologically tested on a regular basis and is under 100 bacteria per gram.

FIRST AID

If ECOSAN® accidentally gets into your eyes, rinse immediately with plenty of lukewarm water. If a burning sensation still persists, consult an eye doctor as measure of precaution.

STORAGE INSTRUCTIONS

ECOSAN® will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. The Period After Opening (PAO) is indicated on each tube / bottle.

STATUTORY REGULATIONS

ECOSAN® is subject to the Regulation (EC) No 1223/2009 on Cosmetic Products, but not to the CLP or the REACH Regulation.
