suitable for dry and strongly stressed skin

- is slightly greasy and absorbed quickly
- contains urea, glycerine and bisabolol
- supports the natural regenerative process of damaged skin
- O/W emulsion
- silicone-free
- perfume- and fragrance-free

**Healthy Skin. Safe Work.**

 **GREVEN®**

## Application Area

GREVEN® CREME UREA has been developed for the care and the regeneration of strongly stressed skin and is also suitable for dry skin.

## Product Description

GREVEN® CREME UREA is a perfume- and fragrance-free skin care cream based on an oil-in-water emulsion (O/W emulsion). The cream is absorbed quickly, does not leave an annoying greasy film on the skin and is free from silicones.

## Product Properties

- In its various functions, the skin is affected by external circumstances, e.g. occupational contact with hazardous substances, cold and rough weather conditions or frequent cleansing. Moisture and lipids are extracted from the skin's natural protective layer. Therefore, the horny layer loses its suppleness and as a result, skin irritations can occur. GREVEN® CREME UREA cares the skin with moisture-binding urea and glycerin as well as bisabolol.
- GREVEN® CREME UREA increases the flexibility and the resistance of the skin.
- Additionally, the care cream effectively prevents damage of the skin.

## Composition according to INCI

AQUA, UREA, GLYCERYL STEARATE, CAPRYLIC/CAPRIC TRIGLYCERIDE, CETEARYL ALCOHOL, GLYCERIN, PANTHENOL, STEARIC ACID, PALMITIC ACID, CETEARYL GLUCOSIDE, GLYCERYL OLEATE, AMORPHOPHALLUS KONJAC ROOT EXTRACT, BISABOLOL, PHENOXYETHANOL, HYDROXYACETOPHENONE, ALLANTOIN, TOCOPHEROL, CHONDROUS CRISPUS POWDER, HELIANTHUS ANNUUS SEED OIL, ASCORBYL PALMITATE.

## Application

Apply GREVEN® CREME UREA after washing evenly on the clean and thoroughly dried skin. Pay particular attention to vulnerable areas such as between the fingers and around the nails. The cream is also suitable for facial application. The product should not get into the eyes.

## Certificate of Dermatological Compatibility

The dermatological compatibility of GREVEN® CREME UREA has been carefully tested and proven. A printed certificate is available.

## Statutory Regulations

GREVEN® CREME UREA is subject to the Regulation (EC) No 1223/2009 on cosmetic products. Further details on handling the product can be obtained from the Group Data Sheets for skin products (for occupational use).

## Storage Instructions

The product will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. The Period After Opening (PAO) is indicated on each tube / bottle.

## Packaging Sizes

Article No	Size	Pieces / PU
14383004	100 ml tube	24 tubes
14383005	2000 ml collapsible bottle*	6 bottles
