- intensively lipid-replenishing due to high content of natural oils
- contains olive seed powder
- solvent-free
- adapted to the natural pH value of the human skin
- soap-free
- perfumed

Healthy Skin. Safe Work.

 **GREVEN®**

Application Area

GREVEN® SOFT HRC is especially suitable for the removal of extreme dirt e.g. from grease, oil, metallic dust, graphite or soot.

Product Description

GREVEN® SOFT HRC is a hand cleanser with a great content of natural oils, containing natural scrubbing agents made of olive seed powder. The product is adapted to the natural pH-value of the human skin and is free from soaps or solvents.

Product Properties

- The formulation of GREVEN® SOFT HRC combines high cleansing power, good skin compatibility and environmental soundness.
- The cleansing effect of the product is supported by olive seed powder, whose grain structure and grain fineness are especially adapted to this type of use. Due to its low specific weight, blockages of drains and pipes are not to be expected.
- The high content of natural rape seed oil supports the cleansing power of the product and helps to prevent skin irritation due to its lipid-balancing effect.
- The pH-value of the product has been adapted to the natural acid mantle of the human skin, which in its functions is not affected by the product.

Composition according to INCI

AQUA, OLEA EUROPAEA SEED POWDER, SODIUM LAURETH SULFATE, BRASSICA CAMPESTRIS SEED OIL, SODIUM COCO-SULFATE, GLYCERIN, LAURETH-4, OLEIC ACID, SODIUM CHLORIDE, MAGNESIUM STEARATE, SODIUM CITRATE, LACTIC ACID, ALLANTOIN, SODIUM BENZOATE, POTASSIUM SORBATE, XANTHAN GUM, PARFUM.

Application

Apply GREVEN® SOFT HRC evenly on the dry skin. Continue washing adding little water. Rinse off with plenty of water and dry hands thoroughly. If the product gets into the eyes, rinse thoroughly with plenty of water.

Certificate of Dermatological Compatibility

The dermatological compatibility of GREVEN® SOFT HRC has been carefully tested and proven. A printed certificate is available.

Ecology

The surfactants used fulfill the requirements of easy biological degradability as they are determined in the Regulation (EC) No 648/2004 on detergents. The laboratory testing of surfactants in the context of this regulation is based on the "Confirmatory Test" procedure of the OECD method.

Statutory Regulations

GREVEN® SOFT HRC is subject to the Regulation (EC) No 1223/2009 on cosmetic products. Further details on handling the product can be obtained from the Group Data Sheets for skin products (for occupational use).

Halal and kosher requirements

To the best of our knowledge, the ingredients of GREVEN® SOFT HRC contain neither raw materials of animal origin nor ethanol (excluding unavoidable contamination).

Storage Instructions

The product will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. The Period After Opening (PAO) is indicated on each tube / bottle / canister.
