PRODUCT PROPERTIES

- light beige, semi-fluid paste
- strong cleansing power
- with natural scrubbing agents made of olive seed powder
- solvent-free
- skin neutral pH value
- perfumed
- EU Ecolabel for 2 L collapsible bottles
- vegan

APPLICATION

Apply TOPSCRUB® NATURE evenly on the dry skin. For medium dirt, a small, hazelnut-sized amount is sufficient. Rinse off with plenty of water afterwards. A proportionally bigger amount of paste has to be used in order to remove heavier dirt.

A product evaluation sheet can be downloaded.

DESCRIPTION

TOPSCRUB® NATURE is a strong hand cleanser with natural scrubbing agents for the thorough but gentle removal of heavy dirt, e.g. oil, soot, greases and graphite.
The liquid heavy-duty hand cleanser has a slightly acid pH value, similar to the human skin. The high-quality surfactants used have excellent skin compatibility. TOPSCRUB® NATURE contains natural scrubbing agents made of olive seed powder but does not contain any solvents.
TOPSCRUB® NATURE in 2 L collapsible bottles has been awarded the EU Ecolabel.

DERMATOLOGICAL COMPATIBILITY

TOPSCRUB® NATURE's dermatological compatibility has been carefully tested and proven. A printed certificate is available.

COATING COMPATIBILITY

The Fraunhofer Institute for Manufacturing Engineering and Automation confirms the general coating compatibility of TOPSCRUB® NATURE.

SEPARATING STRENGTH OF RUBBER

The DIK Prüfgesellschaft mbH confirms in a test report that TOPSCRUB® NATURE has no influence on the separating strength of rubber.

PRODUCT QUALITY

The product is manufactured according to GMP (GOOD MANUFACTURING PRACTICE) requirements. The bacteria count is microbiologically tested on a regular basis and is under 100 bacteria per gram.

TOPSCRUB® NATURE

FIRST AID
If TOPSCRUB® NATURE accidentally gets into your eyes, rinse immediately with plenty of lukewarm water. If a burning sensation still persists, consult an eye doctor as measure of precaution.

STORAGE INSTRUCTIONS
TOPSCRUB® NATURE will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. The Period After Opening (PAO) is indicated on each tube / bottle.

STATUTORY REGULATIONS
TOPSCRUB® NATURE is subject to the Regulation (EC) No 1223/2009 on Cosmetic Products, but not to the CLP or the REACH Regulation.

ENVIRONMENT
All tubes and bottles are made of polyethylene and after being completely emptied, they can be disposed of with other polyethylene waste. Packaging is labeled accordingly. The tubes (excl. lid) consist of at least 30 % recycled plastic, the 2 L collapsible bottles (excl. dispenser pump, cap and label) of at least 50 % recycled plastic. In addition, the 1 L and 2 L collapsible bottles, incl. dispenser pump and label, have been granted the Interzero "Made for Recycling" label.
The surfactants used fulfill the requirements of easy biological degradability as they are determined in the Regulation (EC) No 648/2004 on detergents.

HALAL AND KOSHER REQUIREMENTS
To the best of our knowledge, the ingredients of TOPSCRUB® NATURE comply with halal and kosher requirements.

IMPORTANT INFORMATION
For TOPSCRUB® NATURE in 1 L Neptune Bottles we strongly recommend to use the dispenser NEPTUNE STANDARD only. When using the NEPTUNE TOUCHLESS a faster battery drain is to be expected.
