STEPHALEN[®] VITAL

Gentle hair and skin cleansing gel
for the removal of light and medium dirt

STEPHALEN® VITAL

Gentle hair and skin cleansing gel for the removal of light and medium dirt

- high-quality shower gel with sugar-based surfactants
- colorant-free
- soap- and alkali-free
- skin-neutral pH value
- perfumed

PRODUCT PROPERTIES / APPLICATION AREA:

STEPHALEN® VITAL is a gentle skin cleanser with sugar-based surfactants which is suitable for cleansing of the entire body, even for sensitive skin. STEPHALEN® VITAL has a skin-smoothing and nourishing effect and is especially suitable for the gentle removal of light and medium dirt as well as for hair wash. In addition, the conditioner included in STEPHALEN® VITAL facilitates the hair's combability. STEPHALEN® VITAL is a soap- and alkali-free skin cleansing gel with a pleasant perfume. The high quality surfactants in STEPHALEN® VITAL have excellent skin compatibility. STEPHALEN® VITAL does not contain neither solvents nor scrubbing agents.

APPLICATION:

Apply STEPHALEN® VITAL evenly on the moistened skin. In order to remove light dirt, a pea-sized amount is sufficient. For cleansing the entire body and the hair a proportionally bigger amount is required. Afterwards, rinse off with water and dry skin thoroughly.

Please have a look at the video "Applying Skin Cleansers":

PRODUCT DESCRIPTION:

High-quality shower gel with a skin-neutral pH value. Perfumed, colorant-free.

PRODUCT EVALUATION SHEET:

A product evaluation sheet can be downloaded from <https://www.physioderm.com/en/infocenter/test-sheets/> or is available on request.

DERMATOLOGICAL COMPATIBILITY:

STEPHALEN® VITAL's dermatological compatibility has been carefully tested and proven. A printed certificate is available.

PRODUCT QUALITY:

The product is manufactured according to GMP (GOOD MANUFACTURING PRACTICE) requirements. The bacteria count is microbiologically tested on a regular basis and is under 100 bacteria per gram.

FIRST AID:

If STEPHALEN® VITAL accidentally gets into your eyes, rinse immediately with plenty of lukewarm water. If a burning sensation still persists, consult an eye doctor as measure of precaution.

STORAGE INSTRUCTIONS:

STEPHALEN® VITAL will keep for at least 30 months (from date of manufacture) if stored unopened at room temperature in the original packaging. The Period After Opening (PAO) is indicated on each tube / bottle.

1000 ml Neptune Bottle:
BSW No. 13926004
6 x 1000 ml Neptune Bottle = 1 PU¹⁾

2000 ml Collapsible Bottle:
BSW No. 13926003
6 x 2000 ml Collapsible Bottle = 1 PU¹⁾

10 L Canister:
BSW No. 13926002
1 x 10 L Canister = 1 PU¹⁾

Dispenser VARIOMAT M

(made of sturdy high-quality steel):
BSW No. 12938004
for 2000 ml Collapsible Bottle

Dispenser NEPTUNE STANDARD

(made of plastic):
BSW No. 13827001
for 1000 ml Neptune Bottle

1) PU = packaging unit

STATUTORY REGULATIONS:

STEPHALEN® VITAL is subject to the EC Cosmetics Directive, but not to the German Chemicals Act or the Hazardous Substances Order.

ENVIRONMENT:

All tubes and bottles are made of polyethylene and after being completely emptied, they can be disposed of with other polyethylene waste. Packaging is labeled accordingly. The surfactants used fulfill the requirements of easy biological degradability as they are determined in the Regulation (EC) No 648/2004 on detergents.
